REUSABLE VS. DISPOSABLE SUPPLIES This age-old debate takes on new meaning in the pandemic era. We examine how and why opinions and positions have changed.

VISUAL INSPECTIONS Exploring how SPD departments can use this technique to contribute to high-quality cleaning, disinfection and sterilization performance.

OR TURNOVER & SCHEDULING Operating rooms and surgical suites rely on efficient facility management to deliver optimal patient outcomes without sacrificing safety. Discover some of the notable practices and products making this happen.

IP-EVS PARTNERSHIPS Examples, tips and tools from the pros on how these two departments work together to help facilities prevent exposure to infectious organisms.

VALUE ANALYSIS How value analysis can reshape supply chain operations during a pandemic.

INDUSTRY EVENT McKenna Lecture and Supply Chain Symposium virtual event February 25

COMING MARCH 2021

BAR CODING & RFID How providers can make cost-effective use of bar coding and RFID to track and trace people, products and equipment today and in the future.

PRE-CLEANING SURGICAL DEVICES For effective and efficient sterile processing of soiled devices, the OR should be prepping them before sending them to SPD. We examine how well that process is working – or even whether it's being done.

RESPIRATORY CARE & MONITORING What are some of the latest high-tech options to assist clinicians in the OR to help patients breathe while undergoing surgery? We identify and profile the options available and what might be on the horizon.

INFECTION CONTROL OPERATIONS WORTH WATCHING From C.diff to Ebola, MRSA, VRE, COVID-19 and a host of bacterial and viral infections, we offer successful anecdotes and tips in responding to and preventing all hospital-acquired infections. *Be sure to nominate a department or facility for recognition.*

SURFACE CLEANING Techniques and tools needed to rid the environment of infection.

INDUSTRY EVENTS HIDA Mar 15-18 Phoenix

HPN Surface Cleaning Forum March 16 Join us for this partial-day virtual event as our editors present the latest information and products in surface, air, and UV cleaning tools for the industry. Include your company's solution podcast or video as part of the event! *Contact your sales representative for more details.*
